(a) Note by Collector E. T. Smith.—The works at Burleigh Falls were so badly wrecked by high water in spring of 1913 as to be unserviceable. No dues were charged up.

AUDIT OFFICE, OTTAWA, December 16, 1913.

Re Telegraph Lines, Prince Edward Island.

SIR,—In the Supplementary Estimates passed last session, \$17,000 is voted to pay half cost of telegraph lines jointly owned by Anglo-American Telegraph Company and the Government.

No revenue from these lines has ever come to account.

Please explain.

I am, sir, your obedient servant,

The Deputy Minister, Public Works Department.

J. FRASER, A.G.

PUBLIC WORKS DEPARTMENT, OTTAWA, December 17, 1913.

DEAR SIR,—Replying to your favour of the 16th instant, *re* Telegraph Lines in Prince Edward Island, I beg to state that under an agreement with the Prince Edward Island Railway, the telegraph line required for the operation of the railway, as well as for general commercial business, was built at the joint expense of the Anglo-American Telegraph Company—which has the telegraph franchise for the island—and the Railway Department. This was many years ago, and the condition of the line now is such that it requires to be reconstructed, and the provision in the current year's Estimates is for that purpose.

There is no revenue to the Government from this joint line but, on the contrary, the Public Works Department pays an annual subsidy of \$7,000 to the Anglo-American Telegraph Company for maintaining a telegraph service on Prince Edward Island.

Yours truly,

The Auditor General.

J. B. HUNTER, D.M.

Re Wharfs and Piers erected by Public Works Department, and not transferred to Marine and Fisheries Department.

PUBLIC WORKS DEPARTMENT, OTTAWA, June 12, 1914.

SIR,—I beg to enclose herewith in compliance with your request of the 19th December last, a list of wharfs, etc., constructed or acquired by the Department of Public Works, and which have not been transferred to the control of the Department of Marine and Fisheries up to 1st April, 1914.

I have the honour to be, sir, your obedient servant,
The Auditor General. A. C. DESROCHERS, *Secretary*.

AUDIT OFFICE, OTTAWA, October 19, 1914.

SIR,—On July 12, 1910, I called the attention of the Treasury Board to the number (some 126) of wharfs and piers, erected by the Department of Public Works, and not transferred to the Department of Marine and Fisheries.

On June 12, 1914, the Department of Public Works furnished another statement of wharfs and piers completed to date, erected in the provinces as follows, and not transferred:—

Nova Scotia.....	175
New Brunswick.....	51
Prince Edward Island.....	13
Quebec.....	157
Ontario.....	78
Manitoba.....	9
Saskatchewan.....	1
Alberta.....	1
British Columbia.....	96
	<hr/> 581

No fees are collected from these wharfs.

This is a matter which would seem to call for the action of the Treasury Board.

I am, sir, your obedient servant,
The Secretary of the Treasury Board. J. FRASER, *A.G.*

PUBLIC WORKS DEPARTMENT, OTTAWA, October 20, 1914.

SIR,—I beg to acknowledge receipt of your favour of the 19th instant, with further reference to wharfs and piers not transferred to the Department of Marine and Fisheries, and note that you propose referring this matter again to Treasury Board.

In this connection, I may say that on your letter of February 22, 1912, I made quite a full memorandum to the Minister regarding this question (copy of which I enclose for your information—(see Audit Report 1911-12 page V 435) with a view to amending the Harbours and Piers Act, but so far no action that I am aware of has been taken in that direction.

I am, sir, your obedient servant,
The Auditor General. J. B. HUNTER, *D.M.*

AUDIT OFFICE, OTTAWA, February 28, 1914

SIR,—Among the explanations given in your letter of November 22 last *re* uncollected Hydraulic and Other Rents, I find that the leases of the Canadian Lake and Transportation Company and Crawford Ross were cancelled and that balances were due the departments, which do not appear to have been settled up to the end of January, 1914.

The case of the Canadian Lake and Transportation Company is as follows:—

Lease No. 18013—Rent paid to March 31, 1912, Cancelled April 22, 1912, Balance due.....	\$ 106.79
Lease No. 18406—Rent paid to April 30, 1912, Cancelled April 22, 1912, Balance at credit of Company.....	17.20
Balance due department.....	<u>\$ 89.59</u>

The lease of Crawford Ross on the Carillon canal was cancelled from March 14, 1911, arrears due \$125.

Please let me know what action if any has been taken to collect these amounts.

I am, sir, your obedient servant,

J. FRASER, A.G.

The Deputy Minister of Railways and Canals.

DEPT. OF RAILWAYS AND CANALS, OTTAWA, March 9, 1914.

SIR,—I have the honour to acknowledge the receipt of your communication of the 28th of February, ultimo, relative to the arrears of rental due by the Canadian Lake and Transportation Company under Leases 18013 and 18406, and by Crawford Ross under Lease No. 17428, in which you ask to be advised what action has been taken to collect the amounts due.

In reply, I have to say that the account against Mr. Ross is in the hands of the Department of Justice, and the Canadian Lake Transportation Company were written to on the 24th of December, 1913, asking for payment of the arrears due by them. Their attention has this day been again drawn to the matter.

I have the honour to be, sir, your obedient servant,

L. K. JONES,

Assistant Deputy Minister and Secretary.

The Auditor General.

AUDIT OFFICE, OTTAWA, February 28, 1914.

SIR,—I wrote you on October 16 last with reference to Hydraulic and Other Rents uncollected during the fiscal year 1912-13.

An examination of the Canals Revenue Returns for the current fiscal year up to January 31 last reveals the fact that these rentals are still unpaid:—

In reply, I have to say that the arrears in question stand as follows:—

I am, sir, your obedient servant,

L. K. JONES,

Assistant Deputy Minister and Secretary.

The Auditor General.

SESSIONAL PAPER No. 1

AUDIT OFFICE, OTTAWA, June 21, 1914.

SIR,—Enclosed herewith you will please find a statement of current leases of Hydraulic and Other Rents, which were not collected during the fiscal year ended March 31, last, amounting to \$15,850.34.

You will see from this statement that there are fifteen leases upon which no rental has been paid from two to five years.

I am, sir, your obedient servant,

J. FRASER, A.G.

The Deputy Minister of Railways and Canals.

AUDIT OFFICE, OTTAWA, June 11, 1914.

SIR,—I have to inquire if the arrears due on Lease 1486S, Port Dalhousie, in the name of W. P. Dixon, and cancelled March 28, 1912, have been paid.

If not, I should be glad to know what action, if any, has been taken to collect them.

I am, sir, your obedient servant,

J. FRASER, A.G.

The Deputy Minister of Railways and Canals.

AUDIT OFFICE, OTTAWA, February 28, 1914.

SIR,—Upon reference to the previous correspondence on the subject of Hydraulic and Other Rents, it is found that each year the department cancels a large number of leases, as well as granting new ones. At present no notification is made to this office in either case, consequently we are not able to determine whether a lessee is in arrears, or the lease cancelled, or superseded by a new one. I have therefore to ask you to be good enough to furnish me each month with a statement containing the following information, viz:—

Leases cancelled or assigned—

1. Name of the Canal.
2. Number of the lease.
3. The name of the lessee.
4. Date of cancellation or assignment.
5. Arrears due when cancelled or assigned.

New Leases—

1. Name of the Canal.
2. Number of the lease.
3. The name of the lessee.
4. Annual rental and when due.

I am, sir, your obedient servant,

J. FRASER, A.G.

The Deputy Minister of Railways and Canals.

AUDIT OFFICE, OTTAWA, April 2, 1914.

Re Interest on Advances under Railway Subsidies Acts.

SIR,—The interest that came to account during 1912-13 was as follows:—

Dept. Indian Affairs.....	\$ 238.04
“ Militia and Defence.....	1,220.41
“ Naval Service.....	28.89
“ N.W. Mounted Police.....	291.25
“ Post Office.....	88,841.72

Previous to 1910-11, small amounts were received from Department of the Interior, but none since.

It seems singular that the other departments, especially the Departments of Public Works, Railways and Canals, and Marine and Fisheries, do not use any of the many railways coming under this Act.

You have no doubt furnished each of the departments with a copy of the list of railways.

Do you require from each department a statement of earnings retained, when there are any, and a declaration that no use was made of any of the railways involved, when no earnings are retained?

I am, sir, your obedient servant,

J. FRASER, A.G.

The Deputy Minister of Finance.
